

**On-Farm Water Management
Program:
*SUBMITTING YOUR APPLICATION***

Application Packet Checklist:

Your application packet must include the following:

- Make sure the application is completely filled out with supporting materials attached.
- Technical Advisory Group Sign Off sheet confirming application completion.
- An original signed copy of the application with all supporting documents, single-sided, no staples, binding, or three ring binders. Use a paper clip to hold application sheets together.
- 19 copies of the original application and all supporting documentation** (these copies may be double-sided) in addition to the signed original. Again, please do not bind.

Application Submission:

The application packet may not be submitted electronically. It must be delivered by mail or in person to:

Governor's Office of Agricultural Policy
404 Ann Street
Frankfort, KY 40601
ATTN: On Farm Water Management Program (OFWMP)
