

Change in Ownership Certification

This form is used to notify the Division of Water that the ownership of a permitted facility has changed.

If Submitted by the New Owner:

The new owner certifies that he/she has assumed, or will assume, ownership and all responsibility for meeting the permit conditions of the Commonwealth of Kentucky relating to water quality at the permitted facility on the indicated effective date of transfer.

If Submitted by the Prior Owner:

The prior owner certifies that he/she has agreed to the transfer of ownership and all responsibility for meeting the permit conditions of the Commonwealth of Kentucky relating to water quality at the permitted facility on the indicated effective date of transfer. If the new owner has not signed the certification, the prior owner shall attach a signed copy of the contractual agreement related to the transfer of the facility.
