

KYR00 - Stormwater Associated with Industrial Activities

Effective 8-1-2018; Expires 7-31-2023

This general permit is available for a facility that would be required to have a KPDES permit due to the discharge of stormwater runoff associated with industrial activity provided the facility meets the eligibility and Notice of Intent (NOI) requirements of this permit. Operators of industrial facilities have the opportunity to certify a condition of "no exposure" if their industrial materials and operations are not exposed to stormwater.
